

/home/matty/Документы
/Qt/qt-proj/MattyNotes/noteholder.h

```
graph TD; A["/home/matty/Документы  
/Qt/qt-proj/MattyNotes/noteholder.h"] --> B[QVector]; A --> C[QWidget];
```

The diagram illustrates the dependencies of the file `noteholder.h` located at `/home/matty/Документы/Qt/qt-proj/MattyNotes/`. Two blue arrows point from the file box to two separate boxes below it, labeled `QVector` and `QWidget`, indicating that the file includes or depends on these Qt classes.

QVector

QWidget
